

Quick and Easy Quotes

Step 1: Make a simple sketch of your kitchen layout on a blank piece of paper. Don't worry about scale. Artistry and accuracy aren't important here. Below we have provided a couple of examples to show you what we're looking for.

Step 2: Enter the dimensions of your tops. Accuracy is important here in order for us to give you an accurate quote.

Step 3: Let us know a little about what you're looking for. Do you want backsplash? Do you plan on using an under mount or top mounted sink? Do you have any preference for the edge profile?

Step 4: Scan your drawing and email it to jeff@extremegranite.net Or call us at (207) 762-6100 for fax information.

EXAMPLE 1.

Sink Type top mount

Stove Type free standing range

Backsplash none
